

Talking about Mountain Stage...

"This is such a special show, and it's really a radio show like no other. It's really about the music. It's not about what your latest single is or what a hit record is. It's about music that you love."

-- Martina McBride

"We feel like we are a part of this hidden land of music that's off the grid. You don't find it on pop radio and television, and it's a good place to be. It's where the good stuff is going on."

--Bela Fleck

"I'm so thankful for you bringing me here tonight because I have the chance to tell you that this is the only way you hear it on radio stations like this. You can't drive down the street and hear Muddy Waters anymore, which is a shame. What did we do to deserve this? I don't know, but I'm not going to quit playing the blues."

--Buddy Guy

"Thanks to Mountain Stage for keeping up the good work."

--Emmylou Harris

"This is a great show, and it's been around for a long time. I've been around the country, and there's a lot of different radio shows, but there wasn't too many of them that was that good. Mountain Stage is a good radio show, and I just want to congratulate everybody that's keeping it going all these years. We've got such a riches of music here in America, and we don't get to hear a whole hellava lot of it on the radio. So I'd just like to thank them for what they do."

--Greg Brown

"I always enjoy myself with you folks, and it always feels like a privilege to get to be on the show. A big hug to everyone."

-- Janis Ian

"Thanks to Mountain Stage for still being here."

--Jimmie Dale Gilmore

"It's always such a great pleasure to be here at Mountain Stage. Y'all are the most marvelous audience in the world!"

-- Nanci Griffith

"Thank God for Mountain Stage. I mean it."

--Shemekia Copeland
