

# TURN TURN TURN

Simon Recordings is proud to announce the release of ***Can't Go Back***, the debut album of the new Cosmic American trio **Turn Turn Turn**.

Members **Adam Levy** (guitar, vocals), **Savannah Smith** (guitar, vocals) and **Barb Brynstad** (bass, vocals) are all mainstays of the Minnesota music scene and together craft an infectious, pop-infused Americana. **Adam Levy** is regarded in the U.S. and abroad as a gifted multi-instrumentalist and singer, whose songwriting captures "the zeitgeist of our time" (Paste). He has led numerous musical projects in multiple genres for the past 20+ years and is widely known as the leader and founding member of the Minnesota-based alt-rock band The Honeydogs. Singer-songwriter **Savannah Smith** has been charming audiences in Eau Claire and Minneapolis for the better part of a decade with her dreamy, introspective material. Her evocative performances showcase a seasoned musical intelligence that belies her age. Also a veteran of the Twin Cities music scene, **Barb Brynstad** is a singer, bassist and guitarist who has collaborated on theater and dance projects and played with some of the top blues, folk, and pop acts, including Willie Murphy, Chastity Brown and Tina Schlieske.

Together, they are **Turn Turn Turn**.
